asap GO is a car-sharing service under the concept of 'Pay per use' or hourly car rental. To rent a car, you can just simply make a booking via our application. We aim to provide a service for you to commute more conveniently and enhance the quality of life. Our cars are parked under office buildings in Bangkok city. So when you need to commute to a meeting, or meet clients, anywhere, anytime, we are ready to service you.

## How to use asap GO

1  
Download application  
and register.

2  
Make a  
booking

3  
Wait of approval from your  
manager to approve if this  
booking can be billed  
to the company.

4  
Come to the car at your  
building's parking lot  
at time of booking

5  
Get in your car by  
unlocking via our  
application

6  
Park the car where  
you found it after  
usage.

7  
Once you press end trip,  
you will receive an email  
notifying you of the cost.

## Why asap GO?

Convenient because  
car is parked at your  
building.

Freedom to drive  
You are able to go anywhere,  
even the deepest roads without  
worrying how to commute back.

Companies don't have to rent monthly if it  
isn't necessary. asap GO makes you able to  
rent for just some days, or some hours.

Convenient payment method. We will be  
billing the company with details on rental  
(ex. rental duration, miles commuted)

### Late pick up

You start paying at time of booking.  
 For example: You book at 8.00 AM. but you start using the car at 8.45 AM. The system will calculate 8.00 - 8.45 AM. as a standby rate.

### Late return

30 minutes before end of booking time, you will receive a notification that the time slot you booked is coming to an end. If you would like to return the car later, press extend time.
